Attention: Mr Carl McDonald

Dear Carl

I wanted to drop you a quick note to commend the ITSPORTS compression tights for long haul flying.

While my Athletic days are sadly behind me I still need to be in good shape after travelling to visit FRACHT Australia's overseas clients in Asia, Europe and the Americas.

The ITSPORTS garments definitely aid my recovery from the effects of Jet lag and the compression helps recover tired muscles so I can get to those important Logistic meetings.

This is a really great product for any business executive that travels regularly.

Best Regards
